A keen, resilient individual aspiring to a future in the programming of applications software. One of my key traits is problem-solving which serves as a great asset to my future aspirations. Currently, I am in my first year of an integrated master's degree in the field of software engineering. Away from education, I have had plenty of experience in hospitality roles which includes providing great customer service and critical time management skills.

## Personal Details

---

**Driver's License:** Cars

**Eligible to work in the UK:** Yes

## Work Experience

---

### Part Time Bakery Assistant

Pocklington's Bakery Ltd - Withern with Stain

June 2023 to August 2023

My role involved picking and packing bread, cakes and pastry items as well as managing outgoing orders. Furthermore, I also performed stock takes and moved large amounts of stock around the premises.
